

# ACADEMIA

No. 3 (39) 2013

The Magazine of the Polish Academy of Sciences

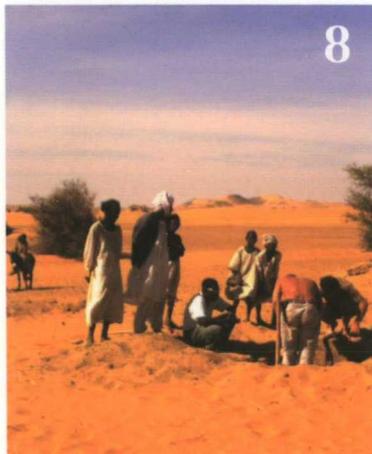

4

## Focus on

### Aggression Blows Hot and Cold

The ancient Greeks' distinction between *mania*, a religious frenzy, and *lyssa*, the mad fury of war, is analogous to a division made by contemporary neurobiology – writes Prof. Jerzy Vetulani

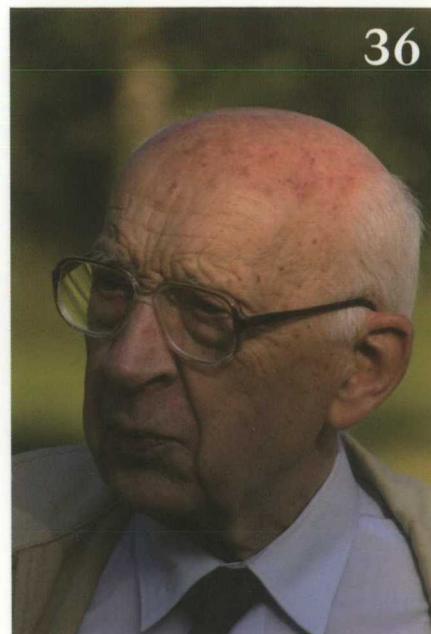

8

## Focus on

### Tracking Down Nero's Spies

Asst. Prof. Bogdan Żurawski tells us about the discovery of the largest known royal palace of the ancient kingdom of Kush in North Sudan

36

## Briefly Speaking

### Good Luck for Good People

I visit the institute pretty much every day. I wouldn't have it any other way – says Prof. Adam Bielanski, who will celebrate his 101th birthday this year

Editorial..... 3

## Focus on

**Jerzy Vetulani** ..... 4

Biology Aggression: Hot and Cold

**Bogdan Żurawski** ..... 8

Archeology Storks, Locusts, and Nero's Spies

**Magdalena Krupa, Agnieszka Świętoń, Bożena Czerny, Agnieszka Pollo** ..... 12
