Focus on Archeology

The Megaliths of Nabta Playa

Romuald Schild, Fred Wendorf

The megaliths of Nabta Playa are an expression of an elaborate Late and Final Neolithic ceremonialism unprecedented in Africa.

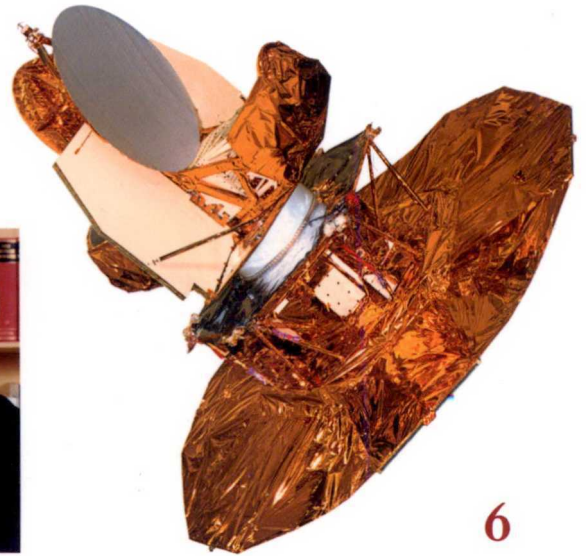

42

Briefly Speaking

Society of Satisfied Researchers

The Max Planck Society

has produced 15 Nobel Laureates since 1948. What is the secret of this world-renowned research community?

6

Focus on Astronomy

The Beginning of the Universe

Stanisław Bajtlik

One of the most astonishing discoveries of the 20th century was Edwin Hubble's discovery of the expansion of the Universe.
